

COUNTRY NEEDING DEEDS, NOT WORDS

A New Tone Is Needed in the Life of Americans, Says Hughes.

IS FOR PROTECTION

Throws up Policies With Reference to Haiti to the Administration.

KANSAS CITY, Sept. 1.—Charles E. Hughes, before an audience that filled the great Convention hall here to its capacity, tonight assailed the administration for its policy toward San Domingo and Haiti, while it "professed inviolability of treaty rights and the sovereign rights of smaller states."

"I yield to no one in the respect to the sovereignty of states, great or small, for the inviolability of treaties, for rights under international law," Mr. Hughes said, "but when we speak of the inviolability of small states and of their rights, what have we to say with respect to the course of the administration in San Domingo and Haiti, where today armed rule exists by our marines on the soil of these states?"

"We stand in this country professions to match practice. We want deeds to match words and we want a sure policy which will protect the lives of American citizens."

Mr. Hughes again declared for protection of American rights, American peace, American industry, and for "a business-like administration of government." He declared that his program was "constructive, not destructive."

Wants the Houses.

"We are desirous to promote the success of the national ticket," Mr. Hughes said, "but we also desire to have both the senate and the house, in order that we may have an administration that will achieve results."

Mr. Hughes said he did not believe in putting the government into the hands of "businessmen to compete with private owners."

"We should rescue business from unnecessary conflict of authority in this country. We can perfect our instrumentalities so that the state can act in its sphere and the nation can act in its sphere, so that business will not be ground between the upper and the nether millstones."

"We want a new tone in our life. I am not one of the kind that is 'too proud to fight.'"

Old Veterans There.

A sprinkling of Grand Army veterans was scattered over the floor. In opening his speech Mr. Hughes referred to the civil war and the part taken by the veterans in preserving the union.

"No one can tell me," Mr. Hughes said, "that we have lost the spirit of years ago. The same indomitable spirit is with us today and what we need is to hearken to its call."

Before his address at the Convention hall Mr. Hughes was the dinner guest of the Republican club. At the dinner were fifty G. A. R. veterans who voted for Lincoln for president. Some of the veterans sat on the platform with the nominee at Convention hall.

Telegraphs Roosevelt.

Upon his arrival here Mr. Hughes sent the following telegram to Theodore Roosevelt: "I heartily congratulate you on your speech at Lewiston and warmly appreciate your effective support."

En route to the city Mr. Hughes received a telegram from Governor Johnson of California in reply to the congratulatory message sent by the

ECHOES

IN the absence of a BUTTER EGG—use THE produce MEN blame THE high PRICES on THE strike. Blame!

nominee upon Mr. Johnson's success in the senatorial primary fight in California. Governor Johnson's message was as follows:

"I was very glad to receive your telegram of congratulation and I thank you for it." Mr. Hughes left for St. Louis at 11 o'clock.

TO DECIDE CONTEST ON THE FIFTEENTH

City Beautiful Award Winners Will Be Named Within a Few Days.

Final inspections in the City Beautiful contest are being made this week, preliminary to the awarding of \$400 in prizes September 15. The contest was inaugurated last spring, the prizes being donated by the Chamber of Commerce and Rotary club.

Prizes are divided into two main classes. One set of awards is for the best kept yard and premises. The other is for the most satisfactory and successful garden.

Hundreds of school children entered the contest as a result of emphasis placed upon it by school authorities last spring. During the entire summer youngsters have been diligently digging weeds and nursing flowers with an eye to this fall's award of prizes.

Delmar Baker, agricultural instructor at the high school, has spent the summer inspecting the gardens and lawns which have been entered in the contest. By his suggestions and corrections many spots have been saved from the wilds.

The contest is divided according to school districts of the city. A subcommittee in each district is this week inspecting its district and will recommend the ten best plots to the general committee.

The general committee, composed of John Misenbacher, C. E. Earnheart, T. J. Hartman, Dan Davidson and Delmar Baker, will compute the final analysis next week.

CITY TOURNAMENT FOR LADIES OPENS

Two interesting matches marked the opening of the ladies' tennis tournament upon the courts of the Y. M. C. A. tennis club yesterday afternoon. Miss Florence Heald and Miss Ruth Lamb were winners.

The schedule will be continued at 7 o'clock this afternoon. P. E. Peterson, referee, said last night that he expected to work the play up to the semi-finals today.

Miss Florence Heald was the feature of the day with her masterful tennis which caused the galleries to nod their heads and prognosticate the outcome of the tournament. Miss Heald defeated Miss Opal Spitsnogle 6-0, 4-1.

High school in the other matches of the day. After a spirited contest Ruth Lamb carried off the honors for Kendall by defeating Grace Tuttle, 6-2, 6-2.

Matches for today which will begin at 2 o'clock are as follows: Stackhouse vs. Milton, Falschum vs. Marr, Neerman vs. Horner, Wardell vs. Hurman.

Lisbon Runs Riot.

LISBON, Portugal, Sept. 1.—(Via Paris, 5:30 a. m.)—Several persons were killed in conflicts between civilians and troops last night near the house of parliament. These clashes followed a session of the parliament which adopted several military measures recommended by the minister of war and a resolution of confidence in the government.

A MINERS' STRIKE MAY BE THE NEXT

Three Thousand Already Have Laid Down Picks Upon Orders.

WILL INJURE STATE

Conference at Kansas City Averts General Trouble for a Day.

KANSAS CITY, Mo., Sept. 2.—protracted separate meetings today of subcommittees for both the miners and operators, in conference here attempting to reach an agreement on wage and working conditions for the southwestern coal districts, it was announced by representatives of the miners that a final and decisive statement would be made by the operators tomorrow. Whether the \$5,000 coal miners involved in the controversy would strike depended on its acceptance by the operators, they said.

The statement tomorrow, understood to be virtually an ultimatum to the operators, was the result of an unanimous vote of the miners' representatives here.

KANSAS CITY, Sept. 1.—Whether the 35,000 coal miners of Missouri, Kansas, Oklahoma and Arkansas were to strike hung in the balance today and conference negotiating the two-year working contract expected a decision would be reached here before night.

The general conference was to hear this afternoon a report that the subcommittee considering the differences had failed to reach an amicable understanding and was to meet in a final effort to iron out the difficulties.

Each side was meeting early with its subcommittee members and it was considered probable that the basis of an agreement might be reached before the general conference convenes this afternoon. The disagreement concerns recognition of the miners' union in the employment and discharge of men.

Announcement was made shortly after noon that the meeting of the general conference had been postponed and that the subcommittee would resume deliberations. This was understood to mean the crisis had been averted at least for today, as it followed in formal conferences of the leaders of both sides.

Five Hundred Strike. PITTSBURGH, Kan., Sept. 1.—Five hundred miners employed by the Central Coal & Coke Co. at two mines near Rings refused to return to work this morning. They asserted that they would work no more until the contract had been signed at conference in Kansas City.

Adjustment Refused. FORT WORTH, Texas, Sept. 1.—The strike of 2,400 coal miners went into effect this morning at Thibault, Strawn, Avery, Bridgeport and New Castle, according to reports received in Fort Worth. The strike will continue until some kind of an agreement is reached on wages by the committees now conferring in Fort Worth. The old wage agreement expired last night at midnight and a readjustment providing increased wages was refused.

A BRISTOW GARAGE BURNS

Twenty Cars Locked in Building Consumed at Loss of \$20,000.

Special to The World. BRISTOW, Okla., Sept. 2.—About 11:30 o'clock last night the Bristow garage caught on fire in some mysterious way, entailing a total loss to the building and consuming about twenty cars, most of them high-priced cars. The garage was locked up with a heavy chain and none of the cars could be rescued. The total loss is estimated at \$20,000.

COUNTY GETS MONEY FROM AUTO TAXATION

Almost \$30,000 Comes to Funds As Result of Vehicle Taxation.

The state highway commissioner has recently enriched the coffers of the county and city officials to the extent of \$29,648.42 as a result of the automobile tax collected in the county since July 1, 1915, at which time the new law concerning the taxation of automobiles went into effect.

The city of Tulsa received \$5,933.43 of this amount and the county treasurer was the recipient of \$23,714.99. The statutes of the state provide that the entire amount paid to the county shall be used for the upkeep and the improvement of the roads of the county.

The sum paid to the county and city officials comes as the portion which has been collected in this county and city during the past year. The fact that motor vehicles are very numerous in Tulsa county is fully evidenced by the amount of the sum which has been turned back to the officials.

Tulsa county is again due to receive a large check because of the fact that the state officials have determined to pay the counties at the end of each month.

MEXICANS COME TO SETTLE TROUBLES

Beyond Saying Country Is Quiet, He Would Make No Public Statement.

KEY WEST, Fla., Sept. 2.—Luis Cabrera, head of the Mexican commission, and John Linn Rodgers, United States special agent at Mexico City, who arrived here early yesterday on the transport Ingle, left for New York tonight. It is understood that Cabrera will join the other commissioners, Alberto J. Pani and Ignacio Bonillas in New York, and a meeting of the commission will be held there Monday before the party goes to Portsmouth, N. H., where the conference with the American commission will take place. Pani and Bonillas recently came to the United States by way of Texas.

Beyond saying that Mexico City was extremely quiet, Mr. Rodgers would not comment on the Mexican situation.

FUNERAL SERVICES FOR HAROLD MEGEE

Son of Sporting Goods House Owner Was Killed Accidentally.

Funeral services for Harold Megee, 17-year-old son of Mr. and Mrs. J. V. Megee, were held at the home of the parents, 919 South Cheyenne, at 10:30 o'clock yesterday morning. The Rev. C. M. Brewer of the Second Baptist church officiating. Burial was in Rose Hill burial park.

It was brought out upon the arrival of the parents with the body that the death of the boy was caused by a gunshot accidentally inflicted by his 9-year-old brother, Kenneth Megee.

The accident occurred at 3:30 o'clock Tuesday afternoon in the summer home of the Megees at Clovis, N. M. The two boys happened upon a double-barrel shotgun left in one corner of a room by Mr. Megee, who had just returned from a hunt.

THREE KILLED IN EXPLOSION

Ammonia Tanks Burst and Wreck Building in Kansas City.

KANSAS CITY, Mo., Sept. 1.—Three men are dead and a fourth is in a critical condition as the result of an ammonia explosion in a downtown meat market today. More than a hundred gallons of ammonia were released when the explosion, the cause of which was unknown, completely wrecked the private refrigerating plant.

Employees on the main floor of the building above the basement in which the plant was located were caught in the fumes and several had narrow escapes from being overcome. Clemen to gas helmets within twenty minutes penetrated the wreckage and recovered three dead men. Employees who braved the fumes brought out Ernest Neuer.

Incorporation Sale—Grand Autumn Millinery Opening Sale of the Millinery Clearing House of New York

Tulsa, the only city in Oklahoma, represented by the Millinery Clearance House of New York City, N. Y., who create more models than any house in the United States. Buy and sell for CASH, eliminating the loss of extravagant dealers. That is the reason you see the grandest exhibition seen in the entire southwest, the New York Millinery Clearance House when you save 50 per cent on your millinery. We show the same week things seen in Chicago and St. Louis in their new home.

OPERA SEATS ARE IN GREAT DEMAND

Chamber of Commerce Is Swamped With Inquiries From Over State.

BLANKS ARE READY

Contain Complete Scale of Prices; Many Season Tickets Sold.

Tickets for the Tulsa grand opera season are in big demand, according to Clarence B. Douglas, secretary of the Chamber of Commerce, who with Ralph Baker, secretary of the grand opera committee, is in charge of the advance sale.

Several thousand dollars worth of seats were disposed of prior to yesterday to local men who put up the \$20,000 guarantee to insure the appearance of the Elita Grand Opera company in this city on October 20 and 31. They were given first choice.

Yesterday the sale was open to the public. Throughout the day mail and telegraph and telephone orders came from scores of communities throughout the state. Prompt attention is being given to all orders and the best possible selections are being made. No favorites will be played.

Buy Season Tickets. More than 50 per cent of the purchasers have taken season tickets, which will give them the same seats for both "Carmen" and "H Trovatore." A liberal reduction is made on tickets purchased for both nights.

That it will be the best attended and most brilliant musical event in the history of Oklahoma goes without saying. The elite of every city and town in the state will be in attendance. The capacity of Convention hall will be taxed.

Newspapers are giving liberal space to the event, realizing that it is a big undertaking even for Tulsa and affords the people of the state their first opportunity to see real grand opera presented by the biggest stars in the world, with the necessary scenic, choral and musical investments to place it on a par with the Metropolitan of New York and the Chicago Grand Opera company.

All orders for seats should be accompanied by the cash. "Carmen" will be presented on Monday night, October 30, and "H Trovatore" on Tuesday night, October 31.

Subscription blanks containing the complete schedule of prices will be mailed on application by addressing the Chamber of Commerce.

FUND FOR PLAGUE VICTIMS GROWING

Others Should Contribute Immediately If They Aid the Unfortunate.

Recent donations bid fair for the chances of Eva Coy and Joe McHenry to go out from Tulsa into a more healthful climate, but there must be a few more people of good heart before these two unfortunate can set out on their voyage for health.

At the close of the day yesterday The World fund had reached \$135. This is being accomplished without personal solicitation of any kind. It's up to those who read the columns of The World.

Physicians say that the matter must be brought to a focus in the near future or there will be no need of a fund. Who will?

Victrola

The caller probably said she would like to hear Harry Lauder—or perhaps she mentioned Caruso. Anyway, the Victrola "obliged" with her favorite—just as it would always "oblige" you with your favorite music if you had one in your home.

\$15 to \$400. Easy terms.

MUST BASE SUITS UPON MERIT ALONE

Five Workers Are Made Defendants in Litigation Asking \$200,000.

FORT SMITH, Ark., Sept. 1.—The \$200,000 damage suit of the Pennsylvania mining company of Clarksville against the United Mine Workers of America, Oklahoma and Texas local district and international officers must be tried on its merits, Judge Frank A. Youmans decided in the United States district court today.

Among the defendants in the case are John P. White, international president of the union, William Dalrymple, Dewar, Okla., national organizer, Louis Ferns, Pittsburg, Kan., who will referee the Moran-Morris fight at Tulsa on Labor day, and 23 local unions.

For years the Pennsylvania company has operated the biggest open shop coal mine in the southwest. It charges that it has been harassed and persecuted by the organization, the suit is brought under the provisions of the Sherman antitrust act. The suit is similar to the action of the Ruchedeman coal syndicate for damages growing out of the destruction of property during the Prairie creek mine riots three years ago. In the case the lower courts held a coal miners' union could not be sued. The court of appeals reversed that finding.

Survivors Landed. NEW ORLEANS, Sept. 2.—The six survivors of the crew of 25 of the American steamer Admiral Clark, which foundered in the Caribbean sea, 112 miles southeast of Cape San Antonio, Cuba, in the tropical hurricane August 15, are here today on the Swedish bark Tana which picked them up from the rafting raft of the steamer after they had drifted in the Caribbean sea six and a half days without food or water.

Use Resinol For Bad Skin-Trouble

Consider Her Cure Remarkable

June 25.—"For almost six months I suffered from a severe case of skin-trouble on my leg between the ankle and knee. It began by swelling with severe pains day and night, followed by constant itching. My leg then became inflamed, and later water blisters and pimply sores broke out on it. At this time my leg was at least one-third above its normal size, and the continual itching and burning sensation was something terrible. I applied many remedies, but gained no relief until I commenced using Resinol Ointment and Resinol Soap, from which I obtained relief by the first application. After a continued use of Resinol Ointment and Resinol Soap the swelling was reduced, the itching and burning were entirely relieved and a complete cure was effected, having used only three jars of Resinol Ointment and two cakes of Resinol Soap. My trouble sure was serious, and I consider the cure remarkable." (Signed) Mrs. H. W. Neffs, 823 Pearson St., Greensboro, N. C.

All druggists sell Resinol Ointment and Resinol Soap. For samples, free, write to Dept. 4-8, Resinol, Baltimore—Ady.

WAKEFIELD'S BLACKBERRY BALSAM

Is and has been for 70 years the most prompt and reliable cure for Diarrhoea, Dysentery and Cholera Infantum. As these diseases often come in the night, every home should be prepared to check them without delay by having Wakefield's Blackberry Balsam on hand. It never fails. All druggists sell it. Full size bottle 50c.

Clears Complexion

Don't worry about skin troubles. You can have a clear, clean complexion by using a little Zemo, obtained at any drug store for 25c, or extra large bottle at \$1.00.

Zemo easily removes all traces of pimples, black heads, eczema, and ringworm and makes the skin clear and healthy. Zemo is neither watery, sticky nor greasy and stains neither the face nor the hands. It is easily applied and costs a mere trifle for each application. It is always dependable.

Zemo, Cleveland.

BETTER THAN SPANKING

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Sommers, Box W, South Bend, Ind., will send free to any mother her successful little Zemo, with full instructions. Send no money, but write her today if your children trouble you in this way. Don't blame the child, the cause is in it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.
